Mission

The goal of the Foundation is to provide funds to help support and educate the children of American service men and women lost during Operation Iraqi Freedom.

Based in Santa Barbara, Fallen Heroes Last Wish Foundation is a non-profit, non-partisan organization dedicated to providing families with additional money to supplement the U.S. government's military death benefits. We are supported by gifts from corporations and private individuals. One-hundred percent of all financial contributions will be used to support the children whose parents died while bravely serving the United States in Iraq.

Of the 1.3 million active U.S. service men and women worldwide, fifty-three percent have families and an average of two children. The military action in Iraq has resulted in many American casualties. While lives can never be replaced, we can honor their service and help to assure the future of their children.
